**INTERNAL, DELIBERATIVE, Do NOT CITE OR DISTRIBUTE OUTSIDE FEDERAL AGENCIES**

Hi Julie and Coke –

So, I am not sure we have to use Go Anywhere for email communications, since it appears they are being delivered straight to our Inbox anyway (see below)! 😊 I was more using that for transferring documents, and it will be cumbersome to use it to email back and forth. I think we can just use the header above and hopefully that works. These are literally the definition of deliberative communications!

## Ex. 5 Deliberative Process (DP)

Thanks!  
Colleen
